About the Organizer

This event is specially organized by **Chua Chu Kang CC Toastmasters Club (CCKTMC)**. Our main purpose is to provide the opportunity for members of the public and our club members to know more about the technique of attaining good memory from the master. In addition, provide chances for the public to learn about Toastmasters and interact with our members.

What is Toastmasters?

Toastmasters International is the leading movement devoted to making effective oral communication a worldwide reality. Through its member clubs, Toastmasters International helps men and women learn the arts of speaking, listening and thinking-vital skills that promote self-actualization, enhance leadership potential, foster human understanding and contribute to the betterment of mankind.

How Toastmasters Works?

At Toastmasters, members learn by speaking to groups and working with others in a supportive environment. A typical Toastmasters club is made up of 20 to 30 people who meet once a month for about 3 hours. Each meeting gives everyone an opportunity to practice:

- Conducting meetings
- Giving impromptu speeches
- Presenting prepared speeches
- Offering constructive evaluation

Where we meet?

We meet every second Thursday of the month at Chua Chua Kang CC Conference room at 2nd floor. The meeting starts at 7.30pm and ends at 10pm. Our monthly meeting agenda is uploaded to our website at **www.ccktmc.org**. Please check out our website for more updated information.

We welcome all public to join us for a free preview of our meeting, if you are interested, please email to enquiry@ccktmc.org.

Nishant has made appearances through various media channels like Singapore's MediaCorp's TV12 & 93.8 LIVE FM, Singapore Press Holding's Straits Times & The New Paper, India's Zee TV, Hongkong's South China Morning Post to demonstrate just how effective memory techniques can benefit everyone. More importantly, his main focus is on delivering unique, fun and highly effective talks, workshops and coaching programs from which one can profit from having a good memory, whatever their age or station.

Some of his major achievements in the field of memory:

1. Memorized a 1944 digit number.
2. Memorized a 1200 digit binary number.
3. Memorized the sequence of 7 decks of shuffled playing cards (364 cards)
4. Memorized the sequence of 1 deck of playing cards in 1 min 50 seconds
5. Became the best Asian memorizer at the World Memory Championship 2003.
